REQUEST FOR COMPLETE OFFICE ACTION

Sir:

Applicants gratefully acknowledges the outstanding Office Action dated July 5, 2005. It is respectfully submitted that the Office Action is incomplete because it fails to respond to applicants' arguments traversing the obviousness rejections.

In the Amendment filed on January 26, 2005, applicants provided separate arguments on pages 10-11 traversing the obviousness rejections of claims 4, 11, 24 and 35 in the first Office Action. In particular, applicants disputed the alleged teachings of the secondary references applied in the rejections. The outstanding Office Action does not respond to these arguments and does not change the rejections except to utilize a different primary reference. Applicants' arguments are not moot and are still relevant (and equally applicable) to the repeated obviousness rejections which still rely on the same secondary references.

ATTY DOCKET NO. 6173/33US

Applicants therefore respectfully submit that the Office Action is incomplete for these reasons and requests that the Office Action be supplemented or corrected to be complete. Applicants also request that the time period for filing a response be reset from the mailing date of any such supplemental or corrected Office Action. See MPEP 710.06.

Please charge any fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 10-0100 (NOKIA.33US) and please credit any excess fees to such deposit account.

Respectfully submitted,
